Looking after your Multi Me information

Multi Me is a website where you can

- share your news
- share your photographs
- keep a diary or make a planner

Multi Me collects information or data about you

Data is another word for information

Multi Me keeps personal information like

- your name
- your address
- your telephone number

Multi Me keeps other information so you can keep using **Multi Me** and share it with other people

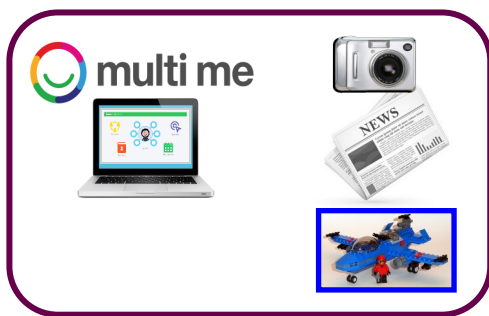

The other information is things like

- your photos and videos
- things you put on **Multi Me** like I made a LEGO plane

Multi Me only keeps information so that the **Multi Me** website works for you

Multi Me only keeps the information you put in it

Multi Me always keeps your information safe

Multi Me will only share your information with

- the Local Authority or
- the police

if they have to see it

Multi Me will **not** sell your information to anyone

Your information will be safe

Multi Me do have to share your information with companies that help make **Multi Me** work

You can ask to see your information

You can change your **Multi Me** information yourself

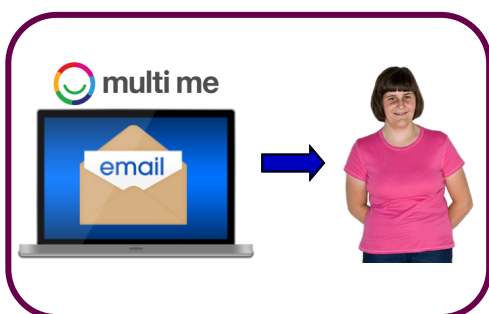

Like putting in a new email address

If **Multi Me** change how they look after your information they will tell you

If you have questions about your information email **Multi Me** at privacy@multime.com

Multi me will reply to you in 24 hours

If you **do not** like what **Multi Me** is doing with your information you can tell the Information Commissioner's Office (ICO)
